Payment is due on or before class date. Major Credit Cards accepted. Make checks payable to AlcoPro, Inc., P.O. Box 10954, Knoxville, TN 37939

## **On-Site Training**

If you would like training at your location, please call our office to check for cost and available dates.

Please call 1-800-227-9890 or FAX us at 1-800-655-5834

## Frequently Asked Questions About the Training Classes

**Q. What time is the class?**

A. All classes begin at 8:30 Eastern Time and end around 4:00 PM Eastern Time

**Q. Why are BAT classes only one day?**

A. Some of you who were certified a few years ago recall the Breath Alcohol Technician training was indeed two full days. The first day was spent on the rules and regulations and the second day was spent learning about the instrument and how to properly administer a Breath Alcohol Test.

Because of the self-study materials we utilize (a workbook and a DVD or videotape) we are able to complete the requirements for certification in just one day.

**Q. What is the complete cost of the classes?**

A. The cost of the Breath Alcohol Class is \$450 per student. The cost of the BAT Train-the-trainer course is \$1195 per student. The cost of the Collector Class is \$350 per student. The cost for the Collector Instructor Class is \$575 per student.

**Q. What do I need to bring?**

A. Nothing: we furnish everything. All self-study materials, instruments, mouthpieces, forms, take-away manuals and specimen kits (for collector training) are included in the price of the training.

If you would like to bring your own Custody and Control Form to the collector class for comparison with the ones we use, please feel free to do so, but it is not necessary.

**Q. Where is the class?**

A. The classes will be held on the dates listed on the Training Schedule and held in the cities listed there: Knoxville, TN (at AlcoPro, Inc.), Auburn Hills, MI. or Grand Rapids, MI.

Directions and Maps will be provided after you return your registration form.

**Q. How often must I renew my BAT and Collector certification and be retrained?**

A. Both Breath Alcohol and Collector certifications must be renewed every five (5) years by attending a BAT and Collector training class.

**Q. Can on-site training be arranged?**

A. Yes, the cost for Breath Alcohol Technician on-site training is \$3250 for up to ten (10) students. The cost for Collector on-site training is \$2250 for up to ten (10) students. If BAT and Collector on-site training were done on consecutive days the cost would be \$5000 for both classes.

These cost include all self-study and in-class materials.
